- Security Video System

10. REFIT HISTORY

Refit History:
Engine exhaust system has been completely renewed in 2018.
All batteries have been renewed in 2018/2019.

11. COMMENTS

STRAVAGANZA was launched in 2008 by her first an only owners and and has only been used privately in the Mediterranean.
Exterior and interior living areas are very generous for her size, with a contemporary classic interior. She offers accommodation in 4 guests cabins for up to 10 guests, with the two twin cabins having both a pullman bed.
Crew accommodation is aft and forward for a total of 4.
Her well laid out engine room boasts an impressive 2 m of headroom and having recently benefited from new exhausts, batteries and hydraulic systems.

12. EXCLUSIONS

A complete list of exclusions is available upon request.
